

Augustana College

Sioux Falls, South Dakota 57197

Director of Institutional Research and Assessment Support

Administrative position beginning in August 2011. Primary responsibilities will include institutional research, support of academic and student life assessment programs, and IRB administration. Candidates should have an advanced degree in educational research, statistics, or a related field. Candidates having three years experience with institutional research, program planning and evaluation, and/or learning outcomes assessment will be preferred. Candidates should have significant experience in higher education, knowledge of and experience with accreditation requirements and processes, and knowledge of key issues and trends in higher education along with the ability to identify issues of importance to the College.

Send a letter of application, copies of transcripts, a curriculum vita, and three letters of reference electronically by May 13, 2011 to the Vice President for Human Resources – humanresources@augie.edu. Applications will be accepted until the position is filled.

Augustana College, a College of the Evangelical Lutheran Church of America, is committed to excellence through diversity, and strongly encourages applications and nominations of persons of color, women, and members of other under-represented groups. Augustana is a selective, residential, undergraduate institution of over 1650 full-time students recognized for the excellence of its graduates and for its experience, creative faculty. The community of Sioux Falls (metro area of 223,000) is growing, vibrant and reflects an increasing diverse demographic.
